FCC Part 15(C) - Certification Full Modular Approval

Axxess Industries Inc hereby requests Full Modular Approval for the zigbee radio HPZM2. The transmitter meets the requirements for Full Modular Approval specified in FCC CFR 47 Rule Part 15.212. Compliance to each of the requirements is described below:

- (i) "The radio elements of the modular transmitter must have their own shielding." The modular transmitter complies with the requirements of this section.
- (ii) "The modular transmitter must have buffered modulation/data inputs (if such inputs are provided) to ensure that the module will comply with Part 15 requirements under conditions of excessive date rates or over-modulation." The modular transmitter complies with the requirements of this section.
- (iii) "The modular transmitter must have its own power supply regulation." The modular transmitter complies with the requirements of this section.
- (iv) "The modular transmitter must comply with the antenna and transmission system requirements of Sections 15.203, 15.204(b) and 15.204(c)." The modular transmitter complies with the requirements of this section.
- (v) "The modular transmitter must be tested in a stand-alone configuration." The modular transmitter complies with the requirements of this section.
- (vi) "The modular transmitter must be equipped with either a permanently affixed label or must be capable of electronically displaying its FCC identification number." The modular transmitter complies with the requirements of this section.
- (vii) "The modular transmitter must comply with any specific rules or operating requirements that ordinarily apply to a complete transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements." The modular transmitter complies with the requirements of this section.

(viii) The modular transmitter must comply with any applicable RF exposure requirements in its final configuration." The modular transmitter complies with the requirements of this section.

Sincerely,

Joerg Wagner President
